

CUSTOM DESIGN STANDS

GENERA 2021

YOUR CUSTOM DESIGN STAND WITH IFEMA

Custom stands fitted to all needs and requirements

We adapt our proposals to your brand image, budget and objectives.

Our experienced partner companies

Our collaborating companies have extensive experience in the exhibition industry and IFEMA guarantees the quality of their design and assemblies.

In addition, during the build-up period, celebration and disassembly of the fair, they will be physically available on the premises at your entire disposal for any incident or need that may occur.

All included service

Our Services team accompanies you during the design and build-up processes, anticipating all the service needs for your stand.

Safety and health

Our collaborating companies are aware of all IFEMA protocols in terms of safety and hygiene of our events, and we ensure they are complied to guarantee the health at work in the design of your stand and in its assembly and maintenance.

OUR DESIGNS FOR YOUR STAND

1

Find several different options of custom design stands for the exhibition, each one designed by one of our many partner companies for this service: **MODISEÑO, MARVA, STANDESIGN, ESPACIOS SINGULARES, STANDECOR, RJ STAND.**

2

Get inspired by our designs. **Each model can be tailored to your specific needs**, the partner company will adapt the design and budget according to your requirements. Make your perfect design come true.

3

The stands have different features depending on the total area they occupy and, therefore, the type and volume of the services included and their technical characteristics may vary. In this catalogue you will find different **sizes and stand designs** that **may be adapted to your booth area** in the exhibition.

4

The prices **include all IFEMA services that are needed to build the stand** on each images (electrical distribution panels, *rigging* points, water intakes, etc.), and **build-up canon**. The **raw space and minimum compulsory services fees are not included**.

5

All the stand prices include the **first cleaning** by the builder. This first cleaning will be carried out according to the protocols that IFEMA has defined to guarantee the safety and hygiene of the event.

2021 TERMS & CONDITIONS

We have **adapted to the maximum** our contracting terms conditions for the custom design stands.

Until April we can work on the design of your stand for the Genera **without any obligation to pay**.

The deadline to confirm the contracting of the service is **october 8, 2021**.

On that day, you must pay **only 50% of the amount of the contracted stand**.

The payment of the **remaining 50%** of the amount of the stand must be paid **no later than november 5** (the day before the start of the fair assembly).

Besides, **up to 1 month before** the start of assembly, you can **benefit from a 15% discount on any additional services** you may need.
